PGL2130 and PGL2135

LASER BLACK AND WHITE PRINTERS

The Olivetti PG L2130 and PG L2135 desktop laser black and white printers are the perfect solution for individual users and small workgroups.

These compact, robust devices deliver **high productivity, low running costs, fast and silent** operation, and a series of indispensable functions for a professional daily use.

Equipped with standard duplex, these models operate at speeds up to **30** and **35 ppm**, respectively, with a **first-page time of approximately 6 seconds**.

Both printers feature a standard 250-sheet paper tray and 50-sheet by-pass. For specific user requirements, performance can be boosted with **options including: memory expansion, a network board and paper trays** (for a maximum capacity of 800 cut sheets for the PG L2135).
